**See Broadmoor Broadmoor's Weekday Preschool Parent Handbook**

Broadmoor wants potty training to be a positive experience for your child. A documented parent-teacher consultation is required prior to beginning potty training. Children in 3 and 4 year-old classes must be toilet trained before entering our program and this includes being able to snap and zip their clothing. The teachers are there to assist the child and guide the child if they are having problems. This is part of the child's learning and becoming more independent. Any special circumstances will need to be reported to the directors and will be reviewed by the Broadmoor's Weekday Preschool leadership team. If your child has continuous toilet accidents, you may be asked to discontinue our program until toilet training is complete. In order to hold your child's place in our program, you will be required to continue tuition payments while you are working with your child.

We agree to the terms of this Participation Agreement including the guidelines and policies of the Broadmoor's Weekday Preschool program and the release of Broadmoor stated above and understand that this Participation Agreement is intended to be and is legally binding and that Broadmoor is relying on our certifications and agreement as a material inducement to admit our child to the Broadmoor Broadmoor's Weekday Preschool program.
