

Week of  
**PRAYER**

# Prayer Walk Around Your Home

**“But, for me and my house, we will serve the Lord!” Joshua 24:15 ESV**

## Prayer Tips

- Boldly proclaim this will be a home that worships the Lord.
- Pray as you go, continually throughout your day.
- Set aside a specific time to join with others in your home to intentionally pray over different areas.
- Maybe develop a mission statement or a specific request for your family to pray over your home while standing on the promises and goodness of God.

## Take a prayer walk around your home:

### Bedrooms

- Pray specifically for the family member (s) who stay in this room: for protection, for God’s blessing, and for them to have a growing, vibrant walk with Jesus.

### Kitchen

- Pray the Kitchen will be a safe, life giving area as God provides spiritual food as well as physical food for your family.
- Pray conversations around the dinner table will be full of grace and love, consistently pointing others back to the hope we have in Jesus.

### Den/Living area

- Pray this area will be a place of unity and rest .
- Pray the Lord would protect the family from any temptation that might enter the home through television or internet.

### Backyard/front yard

- Declare the sovereign rule of God over your property, expressing your trust in Him for your home.
- How are these spaces used? Play, landscaping, family time, time with neighbors? Ask the Lord to use these areas for His glory and to draw others to Himself.
