

# Healthy Discipleship vs. Grooming

Healthy Discipleship	Shared	Grooming
Strong and Clear Boundaries		Wake or vague boundaries
Appropriate Accountability		isolation and secrecy
Points to god as most Important "go to"		sets abuser up as most important "Go To"
Encourages Participation of others on journey		discourages utilizing others on journey
Equal across students	spending time at events	focused on a single student
with limitations	building trust	you can tell me anything
informed parental involvement	parental involvement	limited parental involvement
as "growth"	prayer / spiritual conversations	as "bonding"
to Connect	takes interest in students interest	to infiltrate
public, brief, non-sensual and non child specific	physical touch	pubic or private, lingering, child targeted, can be sensual
