KING'S CHURCH

King's Church is a church plant just north of Phoenix in a city named Anthem. King's Church is in the infancy stage of planting and is working with 'boots on the ground' to share the Gospel and provide an opportunity for locals to have a church base. Broadmoor partners with King's Church by providing resources to assist in future city events, initial startup costs like equipment, and interns.

Pastor: Kyle Rosas

Location: Phoenix, AZ
